

ORS-HYDRO

TEXT FOR THE PRODUCT REGISTERED AS FOOD FOR SPECIAL MEDICAL PURPOSES

ORS-HYDRO

Food for special medical purposes with minerals and glucose, powder for oral solution

Electrolyte and sugar substitute

Above 3 years of age

Vanilla flavor

Jellying solution

6 pcs sachets

Jellying oral rehydration solution for children and adults.

Ingredients: Maltodextrin, dextrose, thickeners (xanthan gum, modified corn starch), mineral complex (sodium citrate, potassium chloride, sodium chloride, potassium gluconate), flavorings.

Recommended use: To support a body weakened by conditions involving significant water loss (diarrhoea, vomiting, high fever) and activities (intense exercise, increased alcohol consumption). Vanilla flavored electrolyte and sugar substitute rehydration product for children and adults over 3 years of age.

Warnings: This product should only be taken under medical supervision. Talk to your doctor before using this product! This product cannot be used as only source of nutrition. This product does not replace a well-balanced and diversified diet and healthy lifestyle. Do not exceed the recommended daily dose! This product cannot be used by those hypersensitive to any of its ingredients. Do not use parenterally. Keep out of the sight and reach of children.

Best before (month, year): by the end of the marked month. See at the bottom of the box.

Storage: Store in a dry, cool place.

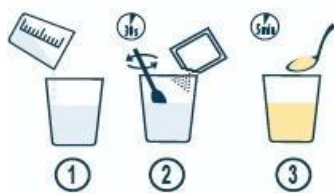

Net weight: 59.4 g / 6 sachets

Contents of the packaging: 6 pcs sachets and a 125 ml measuring cup.

Recommended dose: For children (above 3 years of age) 1-2 sachets 3 times a day. For adults 2-4 sachets 3 times a day.

Instructions for use:

1. Add 125 ml of water in a glass using the dosing cup. Pour the entire content of the sachet into it.
2. Stir 30 seconds to dissolve the powder mixture in the water.
3. After 5 minutes of gelatinization administer it with a spoon.
